## September POWER Words

As you know, CDA offers a personal character development program in each of our classes. Each month, we discuss briefly a "Power Word" that is meant to encourage, motivate, and build the character of these young dancers. **The September Power Words are: 2-5 yr. old's: "Polite" 1st Grade & Up: "Respectful"**. Talk to your dancers about what this word means. It's our goal to build self-confidence in each and every dancer who comes through our doors.
